

Vendor/Featured Guest Application

Do you have something absolutely amazing you make or curate? We'd love to hear more! Featured guests are by invitation. A limited number of vendors are chosen per year, which depends on event type or occasion. If you have never been to the Altar Room before, we recommend you visit before turning in this application. There are no booth/table fees, it is by commission/percentage of sales (just like an art gallery or museum). For example: If none of your items sell, there is no charge. If you are chosen as a featured guest, you will then sign a simple contract that is provided at that time. Please email this form filled out with your images to: thehighaltar@gmail.com
